2. (C) Response to Ad: The number of responses to the recent ad for Medical Officers has now reached 87. This is a heavy response from applicants generally considered to be in a "shortage" category. Several resumes have been received from psychiatrists, one from a periodontist, and one from a former Agency Medical Officer who had served in [REDACTED]. A physician from York, Pennsylvania who is affiliated with the Office of Medical Services has expressed interest in a staff position and application forms have been sent to him.

3. (C) Retirement Activity: The figures shown below depict the total retirement activity for the period 1 January through 30 June 1978. The figures in the clear show totals. The figures in parentheses represent persons who have opted for discontinued service or "involuntary" retirement; the figures in parentheses are included in the total figure. Thus, of 210 persons to depart by 30 June, 89 are going under the "liberal" options.

	<u>Civil Service</u>	<u>CIARDS</u>	<u>Total</u>
